

**Ocean Community YMCA** Westerly-Pawcatuck Branch

We build strong kids, strong families, strong communities.

**Dolphins Swim Team Photography Waiver Form 2008-2009**

I am granting permission to the Ocean Community YMCA to allow the Dolphin Swim Team and its representatives to utilize underwater photography equipment to videotape the children who are members of this team both under and above the water's surface.

This videotaping process is to be used solely to examine current stroke and turn techniques and demonstration of proper swim related techniques.

I understand that these videotapes, photographs or any byproducts of these processes will not be released, copied or distributed to any individual outside of the YMCA swim team staff.

These videotapes, photographs or any other materials that are used as part of this process will remain the property of the Ocean Community YMCA.
